

**Summary of Changes in the Summer 2003 DOE Office of Worker Advocacy
Covered Facilities List as will be published in the Federal Register**

ADDITIONS

The notice adds as DOE facilities Ore Buying Stations at each of the following locations:

- Crooks Gap, WY
- Edgemont, SD
- Globe, AZ
- Grants, NM
- Marysvale, UT
- Moab, UT
- Monticello, UT
- Riverton, WY
- Shiprock, NM
- White Canyon, UT

This notice adds as DOE facilities:

- Green Sludge Plant in Uraven, CO
- Uranium Mill in Durango, CO
- Uranium Mill in Monticello, UT
- Tonopah Test Range, Tonopah, NV

In adding these facilities, the following jurisdictions, which all were previously unrepresented on the covered facilities list, now have listings:

- Arizona
- South Dakota
- Utah
- Wyoming

CHANGES

Narrows the definition of Blockson Chemical (an AWE Joliet, IL) to Blockson Chemical Co. (Building 55), Joliet, IL

Changes the name of Madison Site (Spectrulite), Madison, IL to Dow Chemical (Madison Site), Madison, IL.

Changes the designation of Electro Metallurgical, Niagara Falls, NY from an AWE to a DOE.

REMOVALS

The notice removes the DOE designation from the following (which all had dual AWE/DOE designations previously. The AWE designations is unaffected):

- Ashland Oil, Tonawanda, NY
- Bliss & Laughlin Steel, Buffalo, NY
- Combustion Engineering, Windsor, CT
- Dow Chemical (Madison Site), IL
- Maywood Chemical Works, Maywood, NJ
- Painesville Site (Diamond Magnesium Co.), Painesville, OH
- Seaway Industrial Park, Tonawanda, NY
- Shpack Landfill, Norton, MA
- St. Louis Airport Storage Site (SLAPS), St. Louis, MO
- Sylvania Corning Nuclear Corp. – Hicksville Plant, Hicksville, NY
- W.R. Grace and Co., Curtis Bay, MD

The notice deletes entirely the following:

- Wash-Rite, Indianapolis, IN
- Spencer Chemical Co., Kansas City, MO
