Draft Site-Wide Environmental
Impact Statement for the
Oak Ridge Y-12 Plant
U.S. Department of Energy

Written Comment Form

Mr. Hartman,

I support the modernization of the Y-12 facility because of the need to maintain the country's nuclear deterrent capability. I believe this is crucial to ~~our~~ the preservation of our national security. I also am convinced that the loss of this national asset would have a detrimental effect upon our local economy. Please help us to maintain and improve Y-12.

thank you for your time,
Robert L. Harrington
