Subject: Stop the Bombs

Please do not make any more bomb-making plants. Don't bankrupt this country with military hardware. Work for peaceful solutions, win-win strategies, family planning to prevent over-population, agricultural production to feed the people adequately. Let's use our resources wisely. Do not act from fear. - No bombs that hit the innocent along with the guilty -

Comment No. 1

Issue Code: 16

Comment noted. In accordance with Section 91 of the *Atomic Energy Act*, DOE carries out its mission (i.e., atomic weapons activities) consistent with the consent of and direction from the President and Congress. This consent and direction are contained in the Nuclear Weapons Stockpile Memorandum, which is updated annually. The issue of whether DOE should produce nuclear weapons and alternative uses of the Nation's funds are beyond the scope of the Y-12 SWEIS.

The proposed action and alternatives analyzed in the Y-12 SWEIS deal with the continued operation of the assigned nuclear weapons stockpile management requirement of Y-12. There is no proposal to expand capabilities or to increase nuclear weapons production at Y-12.
