It will be a fine day in history
when the government has to hold a
bake sale to raise funds for
nuclear facilities, and schools have
all the money they need for
heated classrooms, books and lunch.

While future arms control reductions may change requirements for maintaining the weapons stockpile, DOE is responsible for meeting the current requirements of the Nuclear Weapons Stockpile Memorandum set forth by the President and Congress. The need for nuclear weapons and alternative uses of the Nation's funds are beyond the scope of the Y-12 SWEIS.
