Subject: I feel it is important to Stop the Bombs before they are built...

Bombs kill and do not solve problems!!

We do not need more weapons, Star Wars, or Harp Facilities in Alaska or anywhere else.

Please register my vote NO on all these efforts!!!

Sincerely,

1/16

Phyllis

Comment No. 1

Issue Code: 16

Comment noted. While future arms control reductions may change requirements for maintaining the weapons stockpile, DOE is responsible for meeting the current requirements set forth by the President and Congress in the Nuclear Weapons Stockpile Memorandum, which is updated annually. There is no plan or proposal in the Y-12 SWEIS to build a new bomb plant or manufacture new nuclear weapons. The issue of whether DOE should produce nuclear weapons is beyond the scope of the Y-12 SWEIS.
