

PREFACE

Volume II (*Department of Energy NEPA Regulations and Guidance*) of the National Environmental Policy Act (NEPA) Compliance Guide contains Department of Energy (DOE) regulations and guidance related to compliance with NEPA. Regulations and guidance from the Council on Environmental Quality, the Department of State, and the Environmental Protection Agency are contained in Volume I (*General NEPA References*). All documents included in the Guide also are available on the DOE NEPA Web (<http://tis.eh.doe.gov/nepa/>).

The NEPA Compliance Guide should foster sound and efficient NEPA compliance. This Guide is provided to DOE and contractor staff for information purposes only and should not be interpreted as legal guidance. The Office of NEPA Policy and Assistance plans to supplement Volume II from time to time to include any new DOE regulations and guidance. Supplements, when necessary, will be mailed to all persons on the distribution list. The Office welcomes suggestions for improvement. Comments should be provided to the Office of NEPA Policy and Assistance, (202) 586-4600 or fax (202) 586-7031. As a general rule, please direct questions about NEPA compliance to the cognizant program or field office NEPA Compliance Officer.
